

SPRAIN BROOK MANOR

REHABILITATION

77 JACKSON AVENUE, SCARSDALE, NY 10583

914-472-3200

Dear Sprain Brook Manor Rehab Family, as a facility we are responsible and accountable for the safety and well-being of all of our residents and staff. Since mid-March of 2020, due to the unprecedented Covid-19 pandemic the facility has made several alternate arrangements to connect our residents and their loved ones through various forms of communication such as, phone calls, Zoom, Face-time, Facebook Video and window visitations. The restriction of visitation was mandated by CMS and the NYS DOH as a preventative measure to protect the health of our residents and staff, as well as, your own. After much anticipation, the Department of Health has granted our facility permission to begin allowing visitation in term care facilities.

To facilitate this endeavor the facility must strictly follow all regulatory and internal facility developed guidelines. As such, all visitors will be required to:

- Visitors are to be screened for signs/symptoms of COVID-19 prior to entering the facility. Any individual(s) exhibiting any signs of COVID-19 or for any reason do not pass screening questions (including questions regarding international travel or travel to other states designated under the Commissioner's travel advisory), they will be declined the right to visit at the time.
- ALL Visitors, including long-term care ombudsman, are screened for signs and symptoms of COVID-19 prior to resident access. Additionally, **the visitor must present a verified negative test result within the last 24 hours prior to visitations (Rapid Covid test) or 48 hours prior to visitation with a PCR test. If the individual(s) test positive, fails to present such negative test result, exhibits any COVID-19 symptoms, or does not pass screening questions, he/she will be refused from visit at present time.**
- Screening documentation prior to entry **must** include the following for each visitor to the nursing home: first and last name of the visitor; physical (street) address of the visitor; daytime and evening telephone number; date and time of visit; and email address, if available. **No exceptions will be made.**
- Visitation is limited to **2 visitors per resident, in resident's room** during each scheduled visitation.
- Visitors **MUST** wear a facemask at all times and keep a 6 foot distance from one another

** Appointments can be scheduled via our Sprain Brook Manor website, SBM Rehab Facebook page (click the "BOOK NOW" button), or by contacting the facility at 914-472-3200 and requesting a member of our recreation department.

VISITATIONS:

We are open for visits seven (7) days a week and begin visits as early as 10am – 8pm. We ask that if you, family or friend, plan to visit any time after said end time, you contact the facility to notify staff of the expected time of arrival, at least one (1) hour prior to visit.

Thank you for your understanding and cooperation!!!
